To Our Patients Regarding Cancellations and No Shows:

- We require a 24-hour notice in the event of a cancellation. It is your responsibility, when you call, to have an alternate time in mind that will ensure you attend the entire number of prescribed treatments for each week.
- When you do not attend as scheduled, three people are being hurt by the action:
 - o 1) you--because you did not receive your treatment as prescribed;
 - o 2) the therapist—who scheduled the time for you, and your treatment;
 - o 3) another patient who could have been scheduled if proper notice was given.
- For worker's compensation and personal injury patients, documentation of any missed appointments will be forwarded to your Case Manager, and Primary Physician and this can jeopardize your claim.

In an instance of a cancellation without 24 hours notice, or No-Show to a scheduled appointment, we reserve the right to charge a \$50 fee.

1. After the 1st offense a complimentary free wave reminder will be given.
2. After the 2nd offense there will be a fee of **\$50** (not covered by insurance) and will remain for all subsequent infractions.
3. Cancellation and No-Show fees are to be paid prior to the following appointment. You may not be able to be treated until fees are paid.
4. In addition, 3 offenses without payment may result in the loss of your physical therapy benefits. We reserve the right to cancel all future appointments and withhold scheduling future appointments.
